In March/April 2015, we will be sending you an invitation to participate in the dental exhibition as well as a registration form and other key information.

Information on the 2016 ISDH has been posted on our website under <http://isdh2016.dentalhygienists.ch>. Be assured that we are constantly updating our website with the latest details, so click in from time to time to stay informed.

We would like to draw your attention to the fact that the Swiss Dental Hygienists will not be holding their national annual convention in November 2016, therefore we are very much hoping for your participation in June!

Please do not hesitate to contact us if you require further information.
